

FAMILY LIFE EDUCATION THEME

NATIONAL DIRECTORS: Pastor James H. Neely, Sr. and First Lady Margaret E. Neely

A. THEME: We should each strive to grow in the four areas, “Wisdom, Stature, Favor with God and Men.” Luke 2:52. Family is like branches on a tree. We all grow in different directions yet our roots remain.

Together
we make a
Family

Quote: “You don’t get to choose your family. They are God’s gift to you, as you are to them.” - Desmond Tutu, South African Cleric.

B. FOCUS: FAITH, FAMILY, HOME/HOUSEHOLD, AND RELATIONSHIP

FAITH: Your belief. “But without faith *it is* impossible to please God...” *Hebrews 11:6*

FAMILY: A family is like a circle; the connection never ends.

HOME/HOUSEHOLD: Having somewhere to go is home. Having someone to love is family. Having both is a blessing.

C. Family Life Education (FLE): FLE is any organized effort to provide family members with information, skills, experiences, and is intended to strengthen, improve or enrich their family through participation in these three fundamental area:

- EDUCATION - FLE takes an educational rather than therapeutic approach.
- COLLABORATION - FLE is based on the needs of individuals and their families through professionals and family members collaborating together.
- PREVENTION - Family Life Education is relevant to individuals and families throughout the life span because it focuses on prevention. (<https://www.ncfr.org/sites/default/files/downloads/news/fle2014.pdf>)

Underlying the practice of family life education is a basic belief in the importance of family living and a basic respect for persons that recognizes their ability to take charge of their own lives in satisfying ways.
